- Web Technologies – PHP, MySQL, HTML, CSS, JavaScript,   (online portal- Mar'25
- Computing– MS Excel, Power-point, Power BI (Basic)   (online portal- Aug'23)
- Soft skill- Teamwork and collaboration, Communication skill, Problem-solving, Critical thinking, Time management, Adaptability

INTERNSHIPS & TRAINING

TRAINING & INTERNSHIP, ARDENT COMPUTECH PVT. LTD: JUL'25

Currently undergoing hands-on training in Full Stack Web Development using PHP and MySQL at Ardent Computech Pvt. Ltd. The program focuses on building dynamic and database-driven web applications, covering both front-end development and backend server-side programming. As part of the internship, I am working on a project where I am required to apply the concepts learned, design and develop a complete system, and implement features such as user interfaces, database connectivity, authentication, and data management.

Web Development Intern – Amdox Technologies (Remote)   Nov 25 – Feb 26

Selected for a performance-based internship with real-world web development projects and training support.

Academic Projects

- **Tour & Travel Management System Website :**   **JUN-JUL'25**

  Developed a dynamic web-based system using HTML, CSS, PHP, and MySQL. plemented features including multiple tour packages, user registration/login, booking functionality, and an admin panel for managing packages, users, and bookings. Designed a responsive interface and integrated database connectivity for real time data management.

- **Predictive Sales Analytics Dashboard :**   **JUL'25**

  Built a small-scale predictive analytics solution for retail sales forecasting using Python (Prophet, ARIMA) and Power BI. Cleaned and structured historical sales data, engineered seasonal and category-based features, and visualized actual vs. forecasted sales trends. Delivered interactive dashboards with filters, top-selling items, and seasonal insights to support business decision-making

Trainings & Workshops

- **Workshop on Emerging Trends (2024):** Gained insights into the latest advancements and innovations in technology and industry practices.
- **Workshop on Penetration Testing and Bug Bounty (National Science Day):** Acquired practical knowledge in identifying vulnerabilities, ethical hacking techniques, and cybersecurity measures

Achievements

- Secured Rank 30 out of 5000 participants in "Code O' Phile" Coding Quiz by IIIT Nagpur   **Jun'25**
- Participating in Flipkart Runway Season 4. Flipkart Runway   **Jul'24**
- Secured 2nd place in Smart India Hackathon (SIH), selected for 2nd round among nationwide teams.   **Sep'25**

Extra-curricular Activities

- Active volunteer of national serives scheme run by government of india
- Participated in Cybersecurity Awareness Quiz conducted by Department of Youth Affairs on   **May'25**
- Have undergone 5 years of formal training in classical & kathak Dance

Hobbies & Interests

- Classical and Kathak dances
- Drawing & nature photography
- Volunteering at animal shelters

Permanent Address- Tamluk, East Medinipur,721172, West Bengal.
